

AWAKEN YOUR DESTINY

2026 AWAKENING JOURNAL

Awakening (*noun*) – Your list of items - Awaken peace, love, and harmony.

ENERGY

As you walk along a path lined with glowing stones, each one represents a year of your past cycle. When you pause at the ninth stone, it radiates with completion, wisdom, and release. The last 1000-year cycle is complete. The old ways are dissolving. You are ready to Awaken Your Destiny - not as a solitary seeker, but as a beacon for the collective.

Lesson – Remember the Land of Enchantment—a place beyond time, where destiny whispers and dreams awaken.

GUIDES

Clio says: This new 9-year cycle is not about ‘I energy’, it is about ‘we energy.’ You are a weaver of connection, a guide for those awakening to unity.

Merlin says: Your Destiny is encoded in your unique energetic vibration given to you at birth. Trust it. Live it. Share it.

Lesson – Your commitment is to live in alignment, to serve by awakening, and choose to co-create a world of joy, unity, and truth.

MINDSET
