

Completion and Liberation

September 2025 Insights

Insights (*noun*) – Your list of items - *light, free, and expansive as a new frequency begins to hum in your heart.*

ENERGY

You have arrived at the appointed time. As you walk toward Merlin and Clio, the numbers 9 and 9 spiral around you in sacred geometry, shimmering gold and violet. The double-nine portal of September 2025 is open, welcoming your soul to complete what is ready to be released.

Lesson – It's important to listen to the Universe and arrive at the right time.

GUIDES

Merlin tells you that the energies of the nine year and the nine month have summoned you to complete your circle. What will you lay down? Clio tells you to let memory become medicine. Let the past be a scroll you now close.

Lesson – You are not what happened to you. You are what you choose to become. It's time to write your soul's next chapter.

MINDSET

Feel the space you've created—wide, clean, ready. A new frequency begins to hum in your heart. Light. Free. Expansive.

Lesson – With endings come beginnings and the portal has done its work. You are complete and liberated.
