

RESPONSIBILITIES IN RELATIONSHIPS

JUNE 2026 AWAKENING

Awakening (*noun*) – Your list of items: skills of energetic discernment, heart-centered boundaries, aligned action, harmonizing relationships, and co-creative leadership

ENERGY

The first skill from Merlin is *The Skill of Energetic Discernment*. Merlin teaches you how to sense: who energizes you, who drains you, who aligns with your 2026 identity, and who pulls you back into an outdated version of yourself.

Lesson – Your first responsibility is to discern energy before you engage with it.

GUIDES

The first skill from Clio starts with *The Skill of Heart-Centered Boundaries*. Clio teaches you how to:

- Say yes with integrity
- Say no without guilt
- Protect your emotional energy
- Honor your own needs before tending to others

Lesson – Boundaries are not walls. They are agreements with yourself about what your heart needs to stay open.

MINDSET

Together Merlin and Clio teach you the skill of Co-creative Leadership. You must learn to:

- Lead with heart
- Love with strength
- Build relationships that support your purpose
- Invite others into your vision without losing yourself
- Merge independence (1) with compassion (6)

Lesson – The skill of Co-creative Leadership is the most important skill of 2026.
