

COMPLETE TO BEGIN SEPTEMBER 2026 AWAKENING

Awakening (*noun*) – September's 9-vibration has the energy of completion, release, and pivoting into new beginnings.

ENERGY

As you enter the glowing hall of the Four Radiant Pillars – notice how the energy helps you discern what needs to be released and what needs to start new in the Focus Four areas of your life.

Lesson – Discernment is essential to know what is completed and what is a new beginning.

GUIDES

Merlin is the wise wizard of endings and clarity. This is your month to review what began in January. . . and lovingly release what is no longer working. Clio is the muse of inspiration and new paths. As you release, you make space for your inspired pivot – the path that aligns with your 2026 Intention.

Lesson – All things must come to an end. What needs to be released so you can start something new?

MINDSET

Take a breath... Feel your pivot activating... Feel your 2026 Intention aligning... Feel yourself stepping into your new, inspired path.
